

AZZA KAMAL, PHD, LEED AP ND

Address: Architecture Building, 1480 Inner Road, Gainesville, FL 32611

E-mail: azzakamal@ufl.edu; Cell Ph.: (210) 535-2383; Portfolio: <https://www.azzakamal.com/>

EDUCATION

Graduate Certificate in Geodesign

Penn State, University Park, PA

Graduate Certificate in Geographic Information Systems (GIS)

Penn State, University Park, PA

Master of Science in Architecture (*focusing on Housing*)

Texas A&M University, College Station, Texas

Doctor of Philosophy in Architecture (*focusing on Urban Planning & Community Development*)¹

Cairo University, Egypt²

Master of Science in Architecture (*focusing on Historic Districts in Cairo*)

Cairo University, Egypt²

Bachelor of Science in Architecture (five-years professional degree)

Cairo University, Egypt²

ACADEMIC APPOINTMENTS

Technische Universität Berlin, Germany

January 2023

Visiting Fulbright Specialist; leading workshops and lecturing on Sustainable Urban Development and Real Estate Finance, Faculty VI Planning Building Environment

University of Florida, Gainesville, FL

7/2021 - present

Instructional Assistant Professor and Coordinator of Geodesign Track
Program in Sustainability and the Built Environment, and the Department of Urban and Regional Planning
College of Design, Construction and Planning
Faculty Affiliate, Center for European Studies, College of Liberal Arts and Sciences

Texas State University, San Marcos, TX

1/2021 – 5/2021

Adjunct Professor of Urban & Regional Planning, Department of Geography

9/2017 – 8/2018

Adjunct Professor, College of Applied Arts, Interior Design Program

The University of Texas at San Antonio

9/2014 – 8/2016

Assistant Professor of Research (Architecture Department & Urban Planning Program)

9/2011 – 8/2016

Faculty Fellow, Center for Urban and Regional Planning Research

Faculty Fellow, Center for Cultural Sustainability

9/2009 – 8/2014

Senior Lecturer (Architecture & Urban Planning)

Morgan State University, Baltimore, MD

9/2007 – 8/2009

Assistant Professor, Tenure-track (School of Architecture and Planning)

Tanta University, Tanta, Egypt

9/2005- 8/2007

Assistant Professor (Department of Architecture, College of Engineering)

Texas A&M University, College Station, TX

10/2002 – 8/2005

Graduate Instructor of Architecture & Research Assistant

¹ The Department of Architecture awards a PhD degree in Architecture with different research concentrations (Architecture, Construction Management, and Urban and Regional Planning).

² Architecture Ranking: <https://www.topuniversities.com/university-rankings/university-subject-rankings/2020/architecture-built-environment>

INVITED PLANNING AND ARCHITECTURE STUDIO CRITIC

Spring 2022	Master of Architecture Thesis Studio, Laurentian University, Canada Instructor (Kai Mah)
Spring 2022	Undergraduate Junior Architecture Resilience Studio, State University of New York, Delhi. Instructors (Farzaneh Soflaei and Michael Tweed).
Fall 2022	Graduate Urban Planning Studio, University of Florida Instructors (Ruth Steiner and Emre Tepe).
Spring 2020	Undergraduate Senior Architecture Design Studio, University of Texas at San Antonio Instructor (Hazem Rashed-Ali)
Spring 2017	Undergraduate Junior Housing Studio, Texas State University Instructor (Sarah Urquhart)
Spring 2016	Graduate Architecture Design Studio, University of Texas at San Antonio Instructor (Rahman Azari)

PROFESSIONAL PLANNING EXPERIENCE

Director of Research, South Alamo Regional Alliance for the Homeless [SARAH] 3/2020 – 6/2021
US Department of Housing & Urban Development's Continuum of Care Agency, Bexar County/ San Antonio, TX

- Oversee the agency's research profile, scholarly programs, initiatives, and partnerships
- Supervisor and lead author of 2021 and 2020 Point-in-Time country-wide Reports.
- Established research partnerships with UTSA, Texas State University, UT Health Science, and the University of Notre Dame.
- Secured over \$175K of research funding in the area of impact analysis and geospatial studies.

Housing Policy Coordinator, City of San Antonio, TX 8/2018 – 2/2020

- Led the City of San Antonio's \$1 M "Emergency Housing Assistance Ordinance" [adopted in 02/2019].
- Developed a city-wide geospatial multi-criteria equity metric for allocating \$12 M of "Home Repair Programs" Federal funding.
- Co-led a county-wide outreach campaign to assess HUD's Analysis of Impediments (AI) to Fair Housing Choice to examine Affirmatively Furthering Fair Housing (AFFH) act.

Appointed Member of the Historic Preservation Boards

- Board Member, City of Gainesville 10/2021 – present
 - Commissioner, City of San Antonio 2/2017 – 8/2018
- Review projects related to exterior changes to properties designated as landmarks or located in the City's local historic districts and advise on historic neighborhood designation.

Urban Sustainability Consultant (Freelance) 9/2016 – 8/2018

- Commissioned by *Eva's Heroes* nonprofit organization to provide technical assistance and report on inequality and disability services per each San Antonio council district, which includes a geospatial analysis of different population cohorts with cognitive disability, and the available services and programs.
- Co-authored a study on environmental design and nighttime lighting as predictors of crime in San Antonio neighborhoods; published in the 2018 international EAAE/ARCC conference proceedings, Philadelphia
- Conducted a growth management study using eCognition geospatial automation to estimate of the loss of urban tree canopy in San Antonio districts (published in ACSP conference and Elsevier book chapter).

LICENSURE

- Leadership in Energy & Environmental Design (LEED) Accredited Professional in Neighborhood Development, US Green Building Council (USGBC): (# 10496901-AP-ND)
- Registered Architect, Egypt: (License # 2/1104490)

AWARDS AND SCHOLARSHIPS

- [Fulbright Specialist Roster](#) (4-years tenure): Invited Specialist to Germany (2023) 2022-2026
- Travel grant to Germany, Center for European Studies, University of Florida 2022
- Course enhancement grant, Center for European Studies, University of Florida 2022
- Global Learning Institute Spring Faculty Award, University of Florida 2021
- Fulbright Specialist Roster (3-years tenure) 2017-2020
- Faculty Service to Undergraduate Research and Creative Inquiry Award, University of Texas at San Antonio 2016
- Fulbright U.S. Scholar Award 2014 & 2015
 - *Status*: Program was suspended in the entire region by the US Department of State
- Course Development and Travel Award, Rio De Janeiro, Brazil, Latin American & Caribbean 2008 Study Program, Morgan State University
- Fulbright Egyptian Scholar Award (declined the award; started job at Morgan State Univ.) 2007
- Faculty conference attendance award, Tanta University, Egypt 2006
- Texas A&M University College Research and Interdisciplinary Council (CRIC) Award 2004
- International Education Study Award, International Program Office, Texas A&M University 2003
- Association of Former Students Graduate Fellowship, Texas A&M University, TX 2002 & 2003
- Community Development Society (CDS) Conference Attendance Fellowships 2002 & 2003

TEACHING INTERESTS

- Housing policy
- Equity Planning
- Economics of Sustainability
- Sustainable development
- Urban design studios
- Geographic Information systems (GIS)
- Resilient infrastructure
- Planning methods

COURSES TAUGHT *(Bold denotes courses related to this position)*

University of Florida

- DCP 3210** (Sustainability Solutions for the Built Environment)
- DCP 2001** (Intro to Geographic Information Systems)
- LAA 1330** (Site Analysis)
- DCP 4930/EUS 4930** (Economics of Sustainability)
- DCP 4215 (Leadership in Sustainability)

Texas State University

- GEO 3320** (Community and Regional Planning)
- ID 3322 (Residential Design Studio)

The University of Texas at San Antonio

Graduate

- URP 5473** (Introduction to Health Planning)

- URP 5393** (Urban Planning Methods II)
- URP 5363** (Urban Planning Methods I)
- ARC 6931 (Master's Project Preparation)
- ARC 6973** (Master's Project Preparation)
- COA 6433** (Research Methods)

Undergraduate

- ARC 3433 (Architecture and Thought)
- ARC 6973/3203** (Housing Design & Development)
- ARC 4246 (Systems Studio III)
- ARC 4256** (Urban Design Studio)
- ARC 4156 (Junior and Senior Design Studio)
- ARC 3226 (Architecture Studio II)
- ARC 1214, ARC 2156, & ARC 2166 (Architecture Design I, III, & IV)

Morgan State University

- Research-based Studio V:** comprehensive studio
- Design Studios IV: Systems studio
- Design Studios II, III: urban-focused studios
- ARCH 419** (Latin American Housing): seminar
- Communication Skills I & IV: graphic communications and presentations

Tanta University, Egypt

- AD: (Architectural Design I & II)
- AH 3204** (Community Development)

Texas A&M University, College Station, TX

- ARCH 601, M. Arch III program (Architecture Design Studio)
- ARCH602, M. Arch III program (Architecture Design Studio)

STUDENTS SUPERVISING & MENTORING

Master's Theses and Professional Reports

Role	Student	Topic	Thesis/ Research Project	Semester/ Year
University of Florida				
Chair	Simone Kenny	The Effects of Different Settlement Formalization Processes on Resident Satisfaction	Master's Thesis (URP)	Spring 2023
Member	Drew Johnson	Lincolntonville, FL: A Framework for the Planning of Resilient Historic Coastal Communities	Master's Thesis (Historic Preservation)	Spring 2023
Chair	Pamela Pineros	What are the barriers that exist in Fairfax County, Virginia in the creation of more affordable housing options?	Master's Research Project (Professional Report)	Fall 2022
Chair	Melissa Ruth	Evaluating the Success of Integrating Affordable Housing and Transfer of Development Rights Programs in Pitkin County, Colorado	Master's Research Project (Professional Report)	Summer 2022
Member	Andrew Beasley	New Urbanism and Affordable Housing; A Review of Policy for Form-Based Districts in Tennessee Student awarded the	Master's Research Project (Professional Report)	Spring 2022

University of Texas at San Antonio

Member	Nicole Thomas	Strengthening Spaces for Queer People of Color in Communities	Master's Thesis (URP)	Spring, 2016
Member	Abdullah Karban	Neighborhood Urban Sustainability Assessment in Saudi Arabia	Master's Thesis (URP)	Spring 2015
Member	Emily Guerrero	The Relationship of Public Space and Public Health in San Antonio	Master's Thesis (URP)	Spring 2013
Member	Jing Hong	Analysis of current statuses of energy-saving residential buildings in the US and China	Master's Thesis (Arch)	Spring 2011

Faculty Advisor for Students' Scholarships and Awards

- Undergraduate Group Research Award, UTSA Center for civic Engagement, *Research Showcase Day*, UTSA, Spring 2015.
 - Students: Laura Bustillo and Melissa Yvonna.
- Poster Presentation at the 2015 *Texas Health and the Built Environment Conference*, Convention Center, San Antonio, TX, November 13. Students: 13 Undergraduate Students. (Fourth year design studio).
- Best Poster Presentation Award at the 2014 *Texas Health and the Built Environment Conference*, San Antonio, TX, May 7.
 - Students: Betzaida Pollet, Kimberly Hopkins, & Nicole Thomas.
- Funded Research and Poster Presentation at the 2014 Undergraduate Student Exhibition at the *Research Showcase Day*, Office of Undergraduate Research, UTSA.
 - Student: Neriah Holly.
- AIA-Baltimore's 2008 Undergraduate Research Scholarships:
 - Students: Chinyere Goddard, and Jeanne Schleicher.
- Curriculum Advisor to 50 undergraduate students in the School of Architecture and Planning, Morgan State University, Baltimore, MD.

RESEARCH INTERESTS

- Affordable housing policy
- Equity planning
- Housing programs evaluation
- Resilient planning and Low Impact Development
- Neighborhood regeneration
- Homelessness programs
- Anti-displacement Strategies
- Geospatial and automated imagery analyses
- Mixed-methods and action-research
- Smart growth and infill development
- Urban sustainability

FUNDED RESEARCH

Extramural Funding

Co-PI, with Billy Mahone (Co-PI and Richard Huron (Co-Investigator): The Greehey Family Foundation Grant.
Sponsor: Najim Charitable Foundation, 2021-2024
Amount: \$150,000

Principal Investigator: Impacts of Permanent Supportive Housing on Homeless Households by Subpopulation Characteristics
 Sponsor: Lab for Economic Opportunities (LEO) at the University of Notre Dame, and the Corporation for Supportive Housing (CSH), 2021
 Amount: \$25,000

Principal Investigator: Urban Inequality and Disability in San Antonio, TX: Mapping the Vulnerable Population with Cognitive Disability.
 Sponsor: Eva's Heroes nonprofit organization, 2018.
 Amount: \$5,000

Principal Investigator: Implementing Low Impact Development: A process for Best Management Practices (BMPs) Site Selection.
 Sponsors: San Antonio River Authority (SARA) and Edwards Aquifer Authority (EAA), 2015- 2016.
 Amount: \$30,131

Co-PI; with Richard Tangum (Co-PI): Impact Analysis of HUD's Neighborhood Stabilization Program.
 Sponsor: National Association for Latino Community Asset Builders [NALCAB], 2012-2013.
 Amount: \$20,000

Co-PI, with Richard Tangum (Co-PI): Capacity Building for Economic Growth and Competitiveness: Zapata County, TX.
 Sponsor: Zapata Economic Development Corporation [ZEDC], 2012-2013.
 Amount: \$30,539

Principal Investigator: Strategic Analysis of the Middle Rio-Grande Region: Sustainable Choices for the Growing Demand of Eagle Ford Shale Housing.
 Sponsor: Institute for Economic Development, UTSA, San Antonio, TX, 2011-2012.
 Amount: \$39,308

Co-Investigator, with Akers, M.A. (PI), VanGeest, J (Co-PI), Loubert, L. (Co-PI), Wong, S. (Co-PI), and Perry, M. (Co-PI): The Impact of the Baltimore Homeless Resource Center
 Sponsor: City of Baltimore's Mayor Office on Human Service, Baltimore, MD, 2008-2009.
 Amount: \$20,000

University Competitive Grants

Principal Investigator (100%): Course Development Grant
 Sponsor: University of Florida's Center for European Studies, 2022.
 Amount: \$3,000

Co- Principal Investigator (35%); with Angela Lombardi, PI (35%); and Shelly Roff, Co-PI (30%): The Franciscan Missions of the Camino Real: Applying Geo-technology to Research for Cultural Heritage Management. Grant for Research Advancement and Transformation (GREAT).
 Sponsor: Office of Vice President for Research, UTSA, 2014- 2015.
 Amount: \$20,000

Principal Investigator (100%): Assessment of USDA 502 Self-help Housing Policy in Southern Maryland. Competitive Faculty Summer Research Grant.
 Sponsor: Office of Faculty Professional Development, Morgan State University, Baltimore, MD, 2008–2009.
 Amount: \$5,000

Principal Investigator (100%): Course Development & Data Collection Grant, Rio De Janeiro, Brazil
 Sponsor: Latin American and Caribbean Studies Program (LACAS), Morgan State University, Baltimore, MD, 2008.
 Amount: \$3,500

Principal Investigator (100%): Inquiries of US-Mexico Border Colonias.
 Sponsor: College Research and Interdisciplinary Council (CRIC) Research Award: College of Architecture, Texas A&M University, College Station, TX, 2004.
 Amount: \$1,000
