EDUCATION

- Graduate Certificate in Geodesign (anticipated Fall 2019)
Penn State University, University Park, PA
- Graduate Certificate in Geographic Information systems
Penn State University, University Park, PA
- Master of Science in Architecture
Texas A & M University, College Station, Texas
- Doctor of Philosophy in Architecture¹
Cairo University, Egypt
- Master of Science in Architecture¹
Cairo University, Egypt
- Bachelor of Science in Architecture¹ (five-years professional degree)
Cairo University, Egypt

ACADEMIC APPOINTMENTS

- | | |
|--|-------------|
| Texas State University, San Marcos, Texas
Lecturer/Adjunct Professor, College of Applied Arts | 2017 - 2018 |
| University of Texas at San Antonio, San Antonio, Texas
Assistant Professor of Research (Department of Architecture) | 2014 – 2016 |
| Faculty Fellow, Center for Urban and Regional Planning Research | 2011 – 2016 |
| Senior Lecturer (Department of Architecture) | 2009 – 2014 |
| Morgan State University, Baltimore, Maryland
Assistant Professor (School of Architecture and Planning) | 2007 - 2009 |
| Texas A&M University, College Station, Texas
Graduate Instructor & Research Assistant | 2002 – 2005 |

PROFESSIONAL EXPERIENCE IN URBANISM & HOUSING

- | | |
|---|----------------|
| Housing Coordinator, The City of San Antonio, TX | 2018 - present |
| <ul style="list-style-type: none">Leading research and development of the \$1M "Displacement prevention and mitigation policy". Coordinating and measuring the policy's impact, and overseeing the 2019 affordable housing report.Integrated socio-economic analysis and neighborhood-based indicators for equity metric. Created the first City's "Equity Metric" using socio-economic measures and GIS spatial analyses, and applied the metric on fund allocation to improve three Home Repair Programs | |
| Freelance Urban Sustainability Consultant | 2016 – present |

LICENSURE

- Registered Architect, Egypt: (License # 2/1104490), 1993 - present
- LEED Accredited Professional (Neighborhood Development), US Green Building Council (USGBC)

¹ Certificate of Global Credential Evaluators, Inc for these degrees is available and will be submitted upon request. The department of architecture is ranked by QS among 101-150 top universities worldwide for the study of Architecture

TEACHING INTERESTS

- Integrated systems studio
- Theories and seminar on urbanism and housing
- Urban design studio
- Architecture research methods
- Public interest studios
- Geodesign for sustainable urbanism and infrastructure
- GIS for architects and urban planners
- Urban planning methods

RESEARCH INTERESTS

- Infill development
- Affordable housing
- Geodesign applications in sustainability
- Geospatial analysis using GIS
- Green infrastructure and urban sustainability metrics
- Housing informality in peri-urban communities
- Neighborhood stabilization
- Participatory action-research

AWARDS AND SCHOLARSHIPS

- Fulbright Specialist Roster (2017-2020)
- Faculty Service to Undergraduate Research and Creative Inquiry Award, University of Texas at San Antonio (2016).
- Nominated (two times) for Fulbright U.S. Scholar Award (2014 & 2015). *Status:* Program is suspended in the region since 2014
- Fulbright Egyptian Scholar Award (2007/08). *Status:* (Declined the award due to starting job at Morgan State)
- Association of Former Students Graduate Fellowship, Texas A&M University, TX (2002/ 2003)
- International Education Study Award, International Program Office, Texas A&M University (2003)
- The Community Development Society Conference Attendance Fellowship (2003 and 2002)
- Several Academic Travel Awards (faculty awards and graduate student awards)

COURSES TAUGHT

Texas State University, San Marcos, TX

Undergraduate studio:

ID 3322 (Residential Design Studio): sustainability and materials-specs studio

ID 1320 (Design Graphics I): graphic communications and presentation for designers

The University of Texas at San Antonio, San Antonio, TX

Undergraduate Studios and Lectures:

ARC 3433 (Architecture and Thought): lecture/lab on topics in sustainability

ARC 6973/3203 (Housing Design & Development), grad/undergrad theories seminar

ARC 4246 (Systems Studio III): integrated systems and materials

ARC 4256 (Architecture-Research Studio), urban housing studio

ARC 4156 (Vertical Design Studio): junior/senior architectural studio

ARC 3226 (Architecture Studio II), urban design studio

ARC 1214, ARC 2156, & ARC 2166 (Architecture Design I, III, & IV): foundation studios

Graduate Seminars and Core Courses:

- ARC 6931 (Master's Project Preparation): 1-credit hour colloquium
- ARC 6973 (Master's Project Preparation): 3-credit hour research for thesis studio
- COA 6433 (Research Methods)
- URP 5473 (Introduction to Health Planning): a project-based seminar/lab
- URP 5393 (Urban Planning Methods I): GIS lab
- URP 5363 (Urban Planning Methods II): project-based/lab

Morgan State University, Baltimore, MD

Undergraduate Studios and Lectures:

- Research-based Studio V: comprehensive studio
- Design Studios IV: Systems studio
- Design Studios II, III: urban-focused studios
- ARCH 419 (Latin American Housing): seminar
- Communication Skills I & IV: graphic communications and presentations

Texas A&M University, College Station, TX

Graduate Design Studios:

- ARCH 601, M. Arch III program (Architecture Design Studio)
- ARCH602, M. Arch III program (Architecture Design Studio)

STUDENTS ADVISING & MENTORING

Member, Graduate Theses Committees

- Master of Science in Urban and Regional Planning Thesis, CACP, UTSA
 - Nicole Thomas: (Strengthening Spaces for Queer People of Color in Communities), Spring, 2016
 - Abdullah Karban: (Neighborhood Urban Sustainability Assessment in Saudi Arabia), 2014
 - Emily Guerrero: (The Relationship of Public Space and Public Health in San Antonio), 2013
- Master of Science in Architecture Thesis, CACP, UTSA
Jing Hong. (The analysis of current statues of energy-saving residential buildings in the US and China), 2011

Faculty Advisor, Projects and Exhibitions

- Undergraduate Group Research Award, UTSA Center for civic Engagement, *Research Showcase Day*, UTSA, Spring 2015. Awardees: Laura Bustillo and Melissa Yvonna.
- Poster Presentation at the 2015 *Texas Health and the Built Environment Conference*, Convention Center, San Antonio, TX, November 13. Students: 13 Undergraduate Students. (Fourth year design studio).
- Best Poster Presentation Award at the 2014 *Texas Health and the Built Environment Conference*, San Antonio, TX, May 7. Students: Betzaida Pollet, Kimberly Hopkins, & Nicole Thomas.
- Funded Research and Poster Presentation at the 2014 Undergraduate Student Exhibition at the *Research Showcase Day*, Office of Undergraduate Research, UTSA. Student: Neriah Holly.
- AIA-Baltimore's 2008 Undergraduate Research Scholarships: (Chinyere Goddard, and Jeanne Schleicher).
- Curriculum Advisor to 50 undergraduate students in the School of Architecture and Planning, Morgan State University, Baltimore, MD.

PROFESSIONAL AFFILIATION

- Commissioner, Historic and Design Review Commission, City of San Antonio, TX 2017-2018
- Advisory Board Member, Historic Designation Board, City of San Antonio, Texas 2017-2018
- Member, "Growth and City Form" Taskforce, City of San Antonio Comprehensive Planning Committee
- Board Member, *Prospera* Housing Community Services Inc. (PHCS) 2015-2018
- Co-founder, and Chairperson, San Antonio New Urbanists (SANU). 2014-2016
- Co-chair, Membership Committee, Active Living Council of San Antonio, 2012-2015
- Member, Access to Parks Taskforce, San Antonio 2020 Vision 2014-2015
- Board Member, International Association for Community Development (IACD), 2003–2006
- Member, Society of Egyptian Architects (SEA) 1995 - present

- Kamal, A.** (2003), Cross-cultural influences on housing policies in Texas' Colonias. *Poster presentation, the College of Architecture Graduate Students Symposium*, Texas A&M University, College Station, TX.
- Kamal, A.** (2002), Using the analysis of visual elements in developing rural settlements: Case from Egypt. *Poster presentation, Annual Conference of the Community Development Society*. Delta State University. Cleveland, MS: Community Development Society, July 21-25.

FUNDED RESEARCH

Extramural Funding

- Principal Investigator (100%): Urban Inequality and Disability in San Antonio, TX: Mapping the Vulnerable Population with Cognitive Disability.
Sponsor: Eva's Heroes nonprofit organization, 2018. Amount: \$5,000

Principal Investigator (100%): Implementing Low Impact Development: A process for Best Management Practices (BMPs) Site Selection.

(<http://www.aquiferalliance.net/wp-content/uploads/2015/09/7.27-LID-Report-reduced.pdf>)

Sponsors: San Antonio River Authority (SARA) and Edwards Aquifer Authority (EAA), 2015- 2016.

Amount: \$30,131

Co-PI (80%); with Co-PI, Richard Tangum (20%): Impact Analysis of the HUD's Neighborhood Stabilization Program.

Sponsor: National Association for Latino Community Asset Builders [NALCAB], 2012-2013.

Amount: \$20,000

Co-PI (50%); with Co-PI, Richard Tangum (50%): Capacity Building for Economic Growth and Competitiveness: Zapata County, TX.

Sponsor: Zapata Economic Development Corporation [ZEDC], 2012-2013.

Amount: \$30,539

Principal Investigator (100%): Strategic Analysis of the Middle Rio-Grande Region: Sustainable Choices for the Growing Demand of Eagle Ford Shale Housing.

(<http://www.eagleford.org/images/Eagle-Ford-Housing-UTSA-Report.pdf>)

Sponsor: Institute for Economic Development, San Antonio, TX, 2011-2012.

Amount: \$39,308

Co-Investigator (20%), with PI: Akers, M.A. (20%), Co-PIs: VanGeest, J (20%), Loubert, L. (20%), Wong, S. (10%), and Perry, M. (10%): The Impact of the Baltimore Homeless Resource Center

Sponsor: City of Baltimore's Mayor Office on Human Service, Baltimore, MD, 2008-2009.

Amount: \$20,000

University Competitive Grants

Co- Principal Investigator (35%); with Angela Lombardi, PI (35%); and Shelly Roff, Co-PI (30%): The Franciscan Missions of the Camino Real: Applying Geo-technology to Research for Cultural Heritage Management. Grant for Research Advancement and Transformation (GREAT).

Sponsor: Office of Vice President for Research, UTSA, 2014- 2015.

Amount: \$20,000

Principal Investigator (100%): Assessment of USDA 502 Self-help Housing Policy in Southern Maryland. Competitive Faculty Summer Research Grant.

Sponsor: The Office of Faculty Professional Development, Morgan State University, Baltimore, MD, 2008 – 2009.

Amount: \$5,000

Principal Investigator (100%): Course Development & Data Collection Grant, Rio De Janeiro, Brazil

Sponsor: Latin American and Caribbean Studies Program (LACAS), Morgan State University, Baltimore, MD, 2008.

Amount: \$3,500

Principal Investigator (100%): Inquiries of US-Mexico Border Colonias.

Sponsor: College Research and Interdisciplinary Council (CRIC) Research Award: College of Architecture, Texas A&M University, College Station, TX, 2004.

Amount: \$1,000

- Member, Applicants evaluation committee, 2+3 Master of Architecture Program School of Architecture and Planning. 2008
- Member, Communication Committee, School of Architecture and Planning. 2007

PROFESSIONAL DEVELOPMENT & WORKSHOPS (selected)

- Microsoft *HoloLens* Workshop, Microsoft, Austin, Texas (2015)
- Six-week Course for Teaching Online Courses, (Summer, 2013), UTSA Provost Office.
- One-week Hybrid Course Prep. Workshop, (summer, 2012), UTSA Provost Office.
- Provost Academy for “Teaching Creative Thinking”, (Summer, 2011), UTSA Provost Office.

ARCHITECTURAL PRACTICE *(built projects only)*

**Denotes award -winning projects*

SHEHAB MAZHAR ARCHITECTS, CAIRO

1997 – 2001

<http://www.shehabmazhar.com/>

Lead Architect and Project Coordinator

- *Global Human Settlements Award-winning Project, “*El-Gouna*” Master Planned Community, Egypt (Awarded by the United Nations Environment Program for Global Green Towns). Design development and construction documents of Phase IV, detached residences.
- *City-View*, a Planned Unit Development (PUD) with multi-typology residential units in Cairo

SHAFIE-SHERIF ARCHITECTS, CAIRO

1993 – 1997

<http://sh-sh-b.com/CategoryProjects.aspx?CategoryId=5>

Project Architect

- Participated in the construction documents and shop drawings of the buildings and/or landscape details of the following healthcare facilities:
 - National Defense Council Hospital in Cairo.
 - *1st Prize Project, Ministry of Health National Design Competition, “*Al-Azhar*” University Hospital, a 500-bed facility.
 - “*Imbaba*” Hospital Renovation: participated in the as-built survey drawings, and the design development of some departments.
 - Psychiatric Disorder Hospital of *Dr. Adel Sadek*.

CONCORD ENGINEERS & CONTRACTORS, MAADI, CAIRO

1992 – 1993

Project Architect:

- Participated in the design development drawings of the following projects:
 - 14th & Orabi Street residential condominium in “*Maadi*” district in Cairo.
 - Noha Café, *Zamalek* mixed-use district in Cairo

SOFTWARE PROFICIENCY

- Autodesk AutoCAD
- Autodesk Revit
- Adobe Creative Cloud
- SketchUp
- ArcGIS for desktop 10.7
- ArcGIS Pro 2.2
- MS Office suite.
- Remote Sensing and Lidar Imagery Analysis
- eCognition 9.1. for Object Based Image Analysis (OBIA)
- Statistical Package for the Social Sciences (SPSS)
